

Boston Java Meetup

January 16th, 2018

“Java is so OLD!!!”

- Anonymous NodeJS Developer

The Evolution Of The Java Collections API

Streams, Maps, Functions, and More...

Deven Phillips
Senior Consulting Engineer
Red Hat Open Innovation Labs

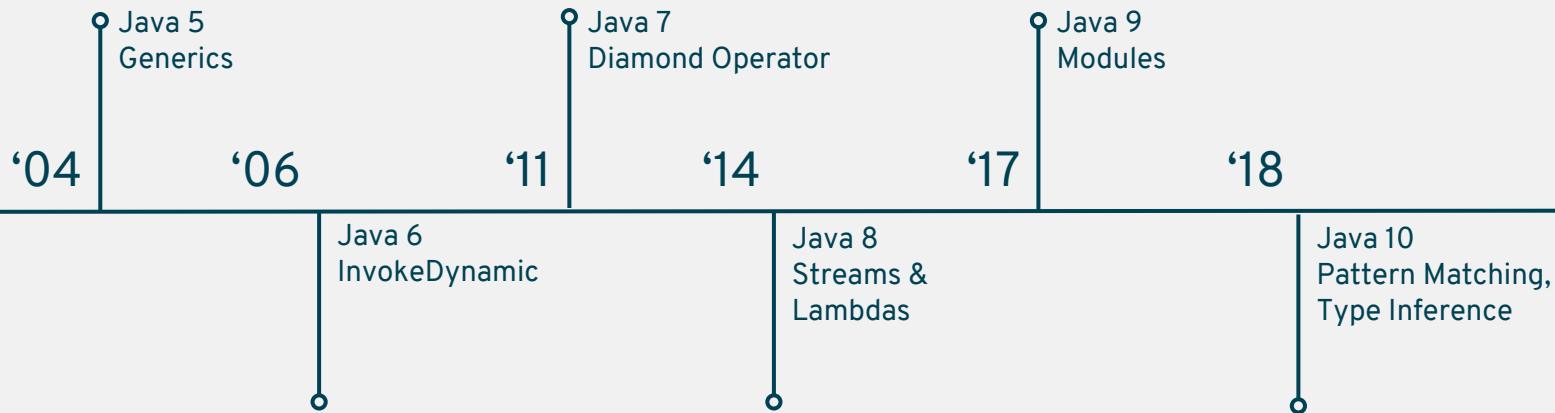

2017-01-16

Java IS Old, And That's a Good Thing!

But *<Some Language>*
Has *<Some Feature>*
Which Is AWESOME!

Java's Evolution

New features are being introduced pretty regularly

Java Collections

From Java 8 & Beyond

stream, map, filter

takeWhile, dropWhile

Type Inference

Let's write some code!

THANK YOU
